

Dear Art Faculty,

**The San Antonio Art League & Museum** has set aside **March 1 – March 27, 2020**, for the **16th San Antonio Collegiate Student Exhibition**. We hope you have outstanding students whose work you would like included in this year's presentation. The Art League is honored to give students the opportunity to show in this time-honored museum space.

Each institution's Art Faculty will be responsible for selecting the students' work shown, and the work must be **ready to exhibit/ready to hang**.

**Delivery of work will take place on Saturday, February 22, 2019 from 1-5 pm.** The last day of the exhibit will be Friday, March 27, and work must be picked up **Saturday March 28** from 10-2 pm. Invitations and a list of exhibitors will be provided by the San Antonio Art League. The reception will be Sunday, March 1, from 3-5 p.m. at the San Antonio Art League & Museum, 130 King William Street.

**All media are welcome although there are space and weight limitations.** Wall pieces should not exceed 60" in the longest dimension and should not be excessively heavy as a wire system is utilized for gallery installation. The Art League's pedestals can support most ceramics and sculpture. Large 3-D works should be discussed with SAALM President Lyn Belisle Kurtin to see if they can be accommodated.

**The number of pieces that can be exhibited from each school will depend on the number of institutions participating. This is most CRITICAL information we need, so please notify Lyn as soon as possible if some of your students will be exhibiting.**

**The deadline for notification of participation is January 17, 2020.** Additional informational details will be emailed the first week of February 2020 to faculty participants. We look forward to your participation.

Very truly yours,

**Lyn Belisle Kurtin, President**
